

## **LOCAL GOVERNMENT AND PUBLIC SECTOR MANAGEMENT FORUM**

### **PROGRAMME OF ACTIVITIES FOR 2006**

At the inauguration of the Forum on October 31, 2005, members agreed that debate must focus on the following themes for 2006:

- (i) Service delivery improvement: Tracking public complaints
- (ii) Political leadership and commitment to reform
- (iii) Electronic governance
- (iv) New approaches to service delivery
- (v) Conditions of service for public servants
- (vi) Urban management
- (vii) Public education and reform
- (viii) Monitoring the performance Ministry of Public Sector Reform
- (ix) Face-to-face workshop on a topic to be selected by April 2006 to be addressed by the Minister for Public Sector Reform and Professor Joseph Ayee (June 2006).

We also agreed that members must share information with each other. It is in this light that the Ministry of Public Sector Reform has sent its 2006 Work programme for circulation to members of the Forum.
